15-29 paid admissions receive 1 complimentary chaperone.
30-59 paid admissions receive 2 complimentary chaperones.

*BC Student Rate is only available September to June for schools with a Ministry of Education number.

Prior to Booking Your Visit

Bookings must be made two business days in advance to guarantee group rates and availability.

Try to have two possible dates available when you **contact us** to book, as some days and times may already be at capacity.

Have a close estimate, or the maximum number of the number of students and adults that will be attending the film, the theatre can fill up quickly.

Contact us with the organization name, number of people attending, what you would like to see and arrival time.

Once Your Visit is Confirmed

Review the confirmation email containing your visit summary, behavior requirements and payment information.

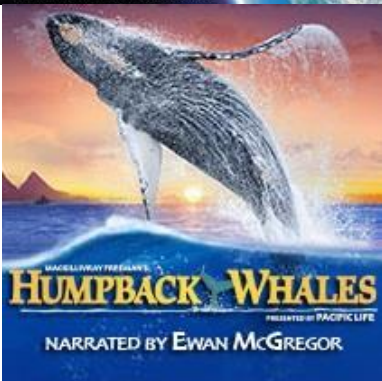

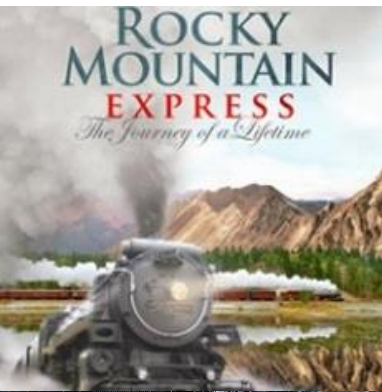

Use our educator guides or **Educator Preview program** to help engage your students in the topic either before or after the film. Guides can be located on specific film pages or request a guide.

Arrange a **group concession package** to save money and streamline your visit.

If your booking information or numbers change, please **contact us** so we can revise your booking.

Payment Information

Present your confirmation email to any cashier at the box office to obtain your tickets, either on the day of your booking or in advance of your visit. There are no refunds or exchanges after tickets have been paid for and printed.

Payment must be made in person by Canadian or US cash, Interac, Visa, MasterCard, American Express or an organization cheque in Canadian funds (payable to the Royal BC Museum Corporation). One cheque per booking.

If your payment preference is by Credit Card, a **Credit Card authorization form** must be used if the card owner will not present to sign the receipt.

IMAX® Annual Passes will be honoured with a booking, but must be collected in advance and presented with the confirmation email.

No additional discounts or coupons, including the **Educator Preview program**, are accepted with a group reservation.

Upon Arrival to the Royal BC Museum

Arrive at least 30 minutes before your scheduled show time. Please call (250) 356-8096 to report if you will be arriving late.

Upon arrival, the lead teacher should check in at the box office with the confirmation letter for payment and to collect the admission tickets.

If concession items have been pre-ordered visit the Sound Bites Concession to pick up your order. It is the responsibility of the group leaders to ensure that only those that have purchased concession items pick them up.

Concession items must be purchased prior to the scheduled show time. All films are required to start on the hour.

The doors to the theatre open 5-10 minutes prior to the start of the film, however, as some shows may be busy we suggest you line up in an orderly fashion earlier.

IMAX Staff will work with teachers as you enter the theatre to ensure your group stays together and is seated comfortably. Staff may request one chaperone remains at the theatre doors until the start of the film to verify students if the group does not enter together.

Enjoy the Film!
